SureFire Tank Saddles 32" Diameter 150 & 200 Gallon Round Tanks

-150 gallon and 200 gallon 32 inch round tanks are supported by 32" tank saddles. Two saddles are required for each tank. These tanks do not require an additional steel support sheet under the tank. Optionally, the saddles may be mounted on top of a pedestal bracket to raise the tank an additional 6", 16" or 22".

SurePoint Ag Systems Fertilizer Tank Safety and Warnings

SurePoint Ag Systems does not recommend transporting your implement with full fertilizer tanks. Doing so can result in damage to brackets and implement.

Remember to wear proper PPE (*Personal Protective Equipment*) when installing SurePoint Ag Systems fertilizer tank kits. Proper PPE includes gloves, foot and eye protection, and hearing protection.

SurePoint Ag Systems fertilizer application systems require winterization when not in use. Refer to your product manual for winterization procedures.

Failure to follow the above warnings can result in personal injury, damage to your SurePoint Ag Systems products, and damage to your implement.
